SUBJECT: RSA FUEL INJECTORS, FUEL DIAPHRAGM ASSEMBLY CHANGE.

PURPOSE: To provide information regarding the introduction of new fuel diaphragm into service.

A change in material has been made to the diaphragm stems used in the RSA-5 and RSA-7 fuel injectors, which results in new part number identification.

Customers are requested to continue ordering the old PN diaphragm until specifically advised that the stock has been exhausted and orders should be placed for the new PN. Should insufficient stock of the old PN be available to fill your order, the new PN will be automatically substituted and instructions issued to order the new PN in the future.

<u>Model</u>	<u>Old Diaphragm Part Number</u>	<u>New Diaphragm Part Number</u>	<u>Estimated Date of New PN Introduction</u>
RSA-5	2539559	2541801	Available
RSA-7	2539814	2541802	10-1-84
